Profile

Signals Officer with 6 years of experience in a junior management role. I have an extremely positive attitude and technology-oriented mindset, as well as an intense professional curiosity and an eagerness to learn.

Employment History

Signals Officer, Canadian Armed Forces

JUNE 2016 – JUNE 2022

Managed small-teams in a day-to-day capacity, responsible for administration and operations, and in a long-term capacity by ensuring subordinate's career progression. Upheld high standards of dress and deportment in those subordinates. And when needed, channeled constructive criticism which led to increase in performance.

Teaching Assistant, West Rouge Kumon

SEPTEMBER 2015 – MAY 2016

Implemented certain teaching techniques according to the student's experience level and interests. Upheld high standards of integrity and academic excellence. Helped students develop useful techniques to achieve proficiency in math.

Polling Clerk, Elections Canada

OCTOBER 2015

Maximized election night efficiency by working diligently and quickly to report ballot counts to the Deputy Returning Officer (DRO). Acted as primary liaison between voters and the Elections Canada Officials.

Education

BSc Computer Science, Royal Military College of Canada

SEPTEMBER 2016 – MAY 2020

Minor in Psychology

Certificate in French

Diploma in Artificial Intelligence, Centennial College

SEPTEMBER 2022 – MAY 2024

Enrolled in the fast-track stream

Projects

Restaurant Ordering System

Created to help restaurants manage all stages of a customer's experience (ordering, billing, taxes, gratuity, splitting bill). Used PyCharm IDE.

Enterprise Design

Created a secure network that would allow for a web server to host coalition networks. Network had multiple firewalls.

Volunteer Experience

North York General Hospital

SEPTEMBER 2014 – JUNE 2016

Acted as interface between visitors and hospital staff. Ensured visitors were directed to the appropriate resources.

Toronto Police Liaison Committee

AUGUST 2015 – FEBRUARY 2017

Participated in monthly meetings at local police station with officers in attendance.
Tackled problems concerning safety in our community and effectively found solutions.
